

הקורטוריון 2016 Board of Governors

Technion Salutes its Honorary Fellows

Dr. George J. Elbaum
USA

In appreciation for your sincere commitment to Israel's future through your support and dedication to the American Technion Society and Technion; in admiration of your business accomplishments that have bridged countries; and with gratitude for your message of tolerance to present and future generations.

Rita Emerson
USA

In acknowledgement of your inspired and wise leadership on the local and national levels of the American Technion Society; in tribute to your outstanding generosity, passion and commitment to Technion and Israel; and in honor of your compassion for humanity.

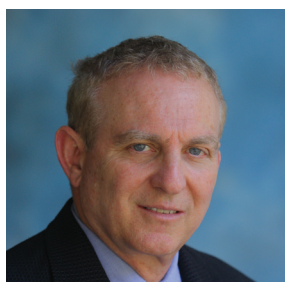

Robert Hanisee
USA

In salute to your exceptional dedication and generosity to the Technion and the American Technion Society; and with appreciation for your continued efforts to identify and pursue new avenues to recruit more supporters for both institutions.

Zeev Holtzman
Israel

With gratitude for your efforts to solidify the Technion's financial standing; and in tribute to your pivotal role in developing the Technion's entrepreneurial ecosystem by helping structure financial vehicles that will enable the Technion to benefit from the intellectual property created by its researchers.

Eyal Kaplan
Israel

In recognition of your deep commitment to Technion expressed by your leadership of the Technion Alumni Association, which significantly strengthened the ties between the Technion and its alumni; and in honor of your contributions in resources and actions to entrepreneurship and innovation in Israel.

Stephen B. Klein
USA

With appreciation for your active leadership at every level of the American Technion Society, and as a member of the Technion Board of Governors; and in tribute to your philanthropy, which contributes to Israel's defense, and supports other meaningful initiatives.

Dr. Shlomo Markel
Israel

In recognition of your significant contributions to Israel's defense forces and security; in tribute to your role in the development of high-tech industries in Israel; and with gratitude for your many years of service to the Technion.

Julia Ruch and Joshua Ruch, USA

With gratitude for your support of the Technion in Israel, and the Jacobs Technion-Cornell Institute in New York City; and in admiration of your deep understanding of Technion's vital role in the future of Israel and the world.

The ceremony will be held on Sunday, June 5, 2016, at 7:00 p.m.
Churchill Auditorium, Technion City, Haifa
Responding on behalf of the recipients: **Dr. Shlomo Markel**
By invitation only
